

The Landings HOA

Colores preaprobados para:

Puertas - Para toda la comunidad

Revestimiento/Carrocería de la casa - Stonecreek

Annapolis, Maryland

Adoptado en marzo de 2025

Los siguientes colores han sido cuidadosamente preseleccionados para su uso como se indica a continuación. El uso de colores preaprobados puede agilizar la aprobación necesaria para las obras exteriores de su vivienda.

Stonecreek: Todos los colores de carrocería o molduras de Sherwin Williams (SW), Behr y HardiPlank están preaprobados para la carrocería de las casas Stonecreek, EXCEPTO los indicados: Alabastro, Blanco Ártico, Cremoso, Blanco Dover, Blanco Extra, Blanco Perlado, Blanco Puro y Ceniza Plateada. Las molduras de las casas Stonecreek deben coincidir con el color de la carrocería. Todos los colores de Sherwin Williams y Behr se pueden mezclar como pintura exterior o como tinte opaco/sólido.

Copperwood, Painter's Hill y Stonecreek: todos los colores en las páginas siguientes están previamente aprobados para colores de puertas.

Según las Directrices de Arquitectura, todos los trabajos en el exterior de las viviendas, incluyendo revestimientos, pintura y tintes, puertas, contrapuestas, terrazas y ventanas, deben ser aprobados por el Comité de Control Arquitectónico de la Junta Directiva antes de comenzar las obras. Además, la Ciudad de Annapolis podría requerir permisos para ciertos trabajos. Asegúrese de consultar con la Ciudad.

No está limitado a estos colores. Si desea usar un color diferente a los mencionados, incluya una muestra del color que desea junto con su formulario de Solicitud Arquitectónica al enviarlo para su revisión. Las solicitudes se evaluarán considerando la armonía del diseño exterior con las estructuras y la topografía circundantes.

Tenga en cuenta que a un residente que utilice un color de pintura o revestimiento no aprobado se le puede solicitar que reemplace o pinte su revestimiento (si corresponde) con un color aprobado.
